**A special thank you to our top 3 fundraising teams!**

## **Team LIBStrong/Drew's Crew**

In memory of Libby Jones and Drew Slocum, Team LIBStrong/Drew's Crew has rallied friends, family, and colleagues to raise thousands of dollars to fight cancer, advance research, and celebrate survivorship through the 24 Hours of Booty event and their annual team fundraiser, Pink to Drink. Thank you, Team LIBStrong/Drew's Crew!

## **Bank of America/Merrill Lynch**

A special thanks to Team Bank of America/Merrill Lynch for their ongoing dedication to cancer navigation and survivorship. In 2018, Bank of America offered a triple match to employees contributing to 24 Foundation, hosted our second annual corporate breakfast at the Bank of America Corporate Center, and provided countless volunteer hours to further our mission and vision. Thank you, Team Bank of America/Merrill Lynch, for changing the course of cancer!

## **Team REEB**

24 Foundation appreciates Team REEB! A dedicated group of Charlotte area men, women, and children, who are somewhat serious about cycling, and VERY serious about Fighting Cancer and having a great time, Team REEB helps bring the fun to Booty each year.
